

ATTLEBORO YMCA

Give for a stronger community. Greater Attleboro Stronger Together Fund Drive begins today.

Dear Meghan,

Today marks the start of the [Greater Attleboro Stronger Together Fund Drive](#) – an opportunity for our community to come together to support our neighbors in need. [The Attleboro YMCA](#) is proud to be one of the Fund's nonprofit partners. As you know, our community-based fund aims to raise \$1.5 million by the end of April in an effort to provide critically needed support to individuals and organizations in our community that have been financially impacted by the COVID-19 crisis. We need your help.

The Greater Attleboro Stronger Together Fund is a collective effort of 26 nonprofits from Attleboro, North Attleboro, Norton, Mansfield, Rehoboth, and Dighton to support our community's most vulnerable through the COVID-19 crisis. Your financial support will help nonprofits provide food, emergency cash relief, housing support, childcare, mental health support, and more critical services through this crisis and into the future.

Please help us be stronger together. Make your gift to the Fund today. The Fund Drive will continue through Monday, April 27th.
